

YELUGUBANTI DEVI SRI KANAKA NANDINI

nanduyelugubanti@gmail.com | +91 6300487457 | Kakinada, AP | [LinkedIn](#) | [Leetcode](#) | [Hackerrank](#) | [GitHub](#)

Career Objective

Aspiring software developer passionate about technology and innovation, eager to build efficient, scalable solutions and grow in a dynamic, collaborative environment.

Education

B.Tech, CSE(AI&ML)

Pragati Engineering College

CGPA: 9.3/10

2022-2026

Surampalem, AP

Skills

Languages: Python, HTML, CSS, MySQL

Key Skills: Data Structures and Algorithms (DSA), Machine Learning (ML), Database Management Systems (DBMS)

Leadership & Interpersonal Skills: Decision Making, Teamwork, Time Management, Active Listening

Experience

Green Internship – 1M1B (One Million for One Billion)

May 2025-Present

- Currently participating in the 1M1B Future Leaders program, building skills in leadership, innovation, and social impact to address real-world community challenges.

AI-ML Virtual Internship – Google

Jul 2024-Sep 2024

- Completed Google AI & ML Virtual Internship, gaining hands-on experience in building and deploying ML models using TensorFlow, Google Cloud, and Vertex AI.

Projects

Fake News Detection

Feb 2025-Mar 2025

- Developed a machine learning model to classify news articles as fake or real using NLP techniques and vectorization (TF-IDF/Count Vectorizer).
- Implemented and evaluated multiple classifiers (Logistic Regression, Decision Tree, Random Forest, Gradient Boosting) for accuracy and performance.

Flame Sensor Using Arduino UNO

Aug 2023-Sep 2023

- Built a flame detection system using Arduino UNO and a flame sensor module.
- Triggered LED and buzzer alerts upon detecting infrared fire signatures.

Certifications

Certified Application Developer – ServiceNow

Jun 2025

- Validated ability to design, develop, and deploy custom applications on the ServiceNow platform using best practices.
- Gained hands-on expertise in application security, data modeling, Flow Designer, and scripting (both client and server-side).

Salesforce AI Associate – Salesforce

Mar 2025

- Gained foundational knowledge of AI concepts and their practical applications within the Salesforce ecosystem, including ethical AI use and CRM-based automation.

Achievements

- Won First Place in Talent Expo at Pragati Engineering College for an innovative project.
- Achieved top academic rank for consistent excellence in coursework and performance.

Declaration

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
